

Consultant E

Consultant E is a Senior Executive in Capita Strategic Children's Services working within the Children's social care sector. She was recruited to Capita Strategic Children's Services following a successful career in Local Authority social care senior management both as a Head of Children's Services and as Deputy Director for Intervention and Safeguarding.

Since commencing work for Capita Strategic Children's Services Consultant E has been involved in a number of roles within Government Offices and in a number of Local Authorities. Her work includes ensuring improvement in service delivery or as part of a team to initiate and deliver programmes of change. She has worked as part of a team undertaking the provision of external support in relation to strengthening performance management across a Children, Education and Families Directorate in a LA which involved the review of the existing Performance Management System and the development of an Options Appraisal.

Consultant E has an extensive knowledge and understanding of issues relating to Children's Services, excellent communication skills, analytical ability and is able to work successfully with a range of agencies and organisations to achieve improved outcomes for children, young people and their families.

Consultant E is currently offering senior level consultancy in a Local Authority with significant safeguarding challenges.
