

## **Consultant G**

Consultant G is a Senior Executive in Capita Strategic Children's Services with wide ranging experience of working with local authorities, the DCSF and other agencies across a range of senior management activities relating to Children's Services. Consultant G has knowledge and experience across a wide range of management roles, and has particular expertise in making the connections between different policy requirements.

Consultant G has specialist expertise in working with LAs to develop the vision and capacity to implement transformational educational programmes, particularly Building Schools for the Future and the Primary Capital Programme (PCP). He has recently completed a role within a local authority supporting each of these programmes.

Consultant G's work included helping to develop the initial phases of the PCP. He also led the development of the formal establishment of the Local Education Partnership for BSF.

Consultant G also has specific expertise in the funding of LAs and schools, and has carried out a number of projects for different LAs. The largest of these was work with a County Council to review the funding formula for schools across all areas. Smaller projects have also been carried out on SEN funding.

Consultant G's skills include the ability to relate to the full range of stakeholders working with schools and in making the connections between them. This is particularly helpful where authorities are looking to develop their vision and aims and need to pull together the separate goals of all their partner agencies.

His expertise draws on knowledge, understanding and experience gained from senior roles in Local Authorities. Prior to joining Capita Strategic Children's Services Consultant G's roles included Deputy Director of Education in two different LAs and covered the full range of management responsibilities at that level.
