

Consultant L

Consultant L is an experienced Children's Services professional with very significant experience in secondary school improvement. Prior to joining Capita Strategic Children's Services he had experience as a headteacher and principal adviser in a local authority. Whilst with Capita Strategic Children's Services he has undertaken a variety of senior roles within local authorities and the National Strategies. Most recently he has been engaged as Senior Secondary School Improvement Adviser within the National Strategies.

Consultant L can quickly assess a situation, build effective relationships, and devise and implement strategies to address both short-term and entrenched difficulties. He is experienced in working in difficult and challenging situations. As a Capita Strategic Children's Services group manager Consultant L has responsibility for the line and performance management of a group of senior executive colleagues.
